Gender Responsive and Participatory Budgeting

Imperatives for Equitable Public Expenditure

Series: SpringerBriefs in Environment, Security, Development and Peace, Vol. 22

- ▶ **A unique book focusing on the hybridization of grassroots participation in planning, implementing, and developing gender-responsive budgeting**
- ▶ **Presents case studies from the field that show the different ways in which gender-responsive and participatory budgeting is being implemented in Malaysia, Indonesia, India, and the Philippines**
- ▶ **Provides theoretical papers that trace the various developments in the field**

This unique book focuses on the hybridization of grassroots participation in planning, implementing, and developing gender-responsive budgeting. It explores the possibilities for gender sensitive budgeting when implemented using techniques that have been popularized by participatory governance activists. A combination of the two allows for a whole new way of ensuring public budgets are used equitably.
